

Spirometry Workshops

Friday, 17 July 2009

Junction 24
Sedgemoor Auction Centre,
Market Way, North Petherton
Somerset TA6 6DF

9.15am to 4.30pm

Cost: £25 for each workshop or £45 for the day *

Programme

9.30-12.30 Introduction to Spirometry

1.30-4.30 Advanced Spirometry

Guest Speaker – Sarah-Jane Peffers

Sarah-Jane Peffers has 12-years respiratory experience in both primary and secondary care. At present she is a Respiratory Nurse Specialist for Bristol Community Health, and leads on both Pulmonary Rehabilitation and Admission Avoidance. She is passionate about respiratory care, particular COPD, and is a member of the ERG for the eagerly awaited clinical strategy for COPD. She is also a committee member on the Nurse Advisory Group for the BTS, a committee member for the Association of Respiratory Nurse Specialist (ARNS), and is an active educational facilitator for Education for Health.
